

## **RECORD OF GRADES**

Bardia Parmoun

Master of Applied Science in Electrical and Computer Engineering (Artificial Intelligence)  
*Specializing in agentic programming and the belief-desire-intentions (BDI) software model*

Supervisor: Dr. Babak Esfandiari

**Carleton University**

Cumulative Grade Point Average: 12/12 (A+)

<b>Course Number</b>	<b>Course Name</b>	<b>Letter Grade</b>
<b>Year One</b>		
SYSC 5103	System and Computer Engineering: Software Agents	A+
SYSC 5108	System and Computer Engineering: Deep Learning	A+
SYSC 5405	System and Computer Engineering: Pattern Classification and Experiment Design	A+
COMP 5307	Computer Science: Knowledge Representation	A+
COMP 5900	Computer Science: Multi-Agent Systems	A+
<b>Year Two</b>		
SYSC 5909	System and Computer Engineering: M. A. Sc. Thesis	In Progress
